Look What SHE Did!
Women's History Month Benefit
March 26 / 11am PT

Join us in-person in Los Angeles or virtually from around the world for our annual fundraiser featuring film screenings and conversation with remarkable women. This year's Women's History Month Honoree, **Lilly Ledbetter** (namesake of the Lilly Ledbetter Equal Pay Act of 2009), will be joined by our 2023 Trailblazer Awardee, **Melinda White** (CEO Transit Wireless, Founding Chair of Look What SHE Did!) and other special guests. Following the program, we're hosting a brunch reception for our sponsors, special guests and speakers.

Virtual Event Series: Films + Conversation

Our popular Virtual Event Series is back with a series of three online events where we'll premiere films and chat with panelists about extraordinary women, past & present.

Program Lineup:

BOSS: Entrepreneurs who defied the odds (MARCH 1)

LOUD: Women who would not be silenced (MARCH 8)

BOLD: Women who took a seat at the table (MARCH 15)

Wednesdays, 6PM PT ONLINE
